

Basic King of Kings Contract

(non legally binding (on Earth anyways))

[Party X] will serve
[Party Y] during [Schedule]
and Y will serve X during [Schedule]. This
agreement for both parties will extend until
[Term].

It is agreed that [Party X] will
[Guaranty] if they refuse to perform their
duty as a servant and Y will [Guaranty] if
they refuse to perform their duty as a servant.

[Party X] and [Party Y] both
agree to respect each others sovereignty and dignity
weather they are to serve or being served. Neither can
command the other to do something they are strongly
against.
